SPEND AN EVENING WITH THE FUNNIEST MAN IN AMERICA

For years James Gregory has delighted audiences across America with his down-home brand of comedy. Now, you can enjoy that deep-fried hilarity anytime!

Beef Stew For The Brain is a collection of true and nearly-true stories and observations on everything from family life to bad weather, all told in the unique James Gregory style.

Includes the hilarious "Fat Woman After Dinner" -- which has become an all-time fan favorite.

"James Gregory is in a class all by himself... his humor transcends all barriers."
- Entertainment Magazine

"Funniest man in America? Heck, James might be the funniest man in the world!"
- John Boy & Billy
